

# European Stakeholder Committees IT Platform

1<sup>st</sup> System Operation  
European Stakeholder Committee Meeting

14 March 2017, Brussels

---

# Objectives of the IT platform

One common dedicated platform  
for all European Stakeholder Committees (ESCs) to:

Facilitate  
stakeholder  
access to  
Network Code  
implementation  
information

Increase  
transparency

Allow  
stakeholders to  
participate in  
European  
Stakeholder  
Committee  
discussions

# Functionalities of the platform

1

Consult ToRs and composition of committees

2

Access meetings' agenda, information, presentations, and reports

3

Register for meetings and access live video streaming

4

Provide comments, documents, requests to the ESCs directly from this page (for members and non-members)

Access: <https://www.entsoe.eu/major-projects/network-code-implementation/stakeholder-committees/Pages/default.aspx>

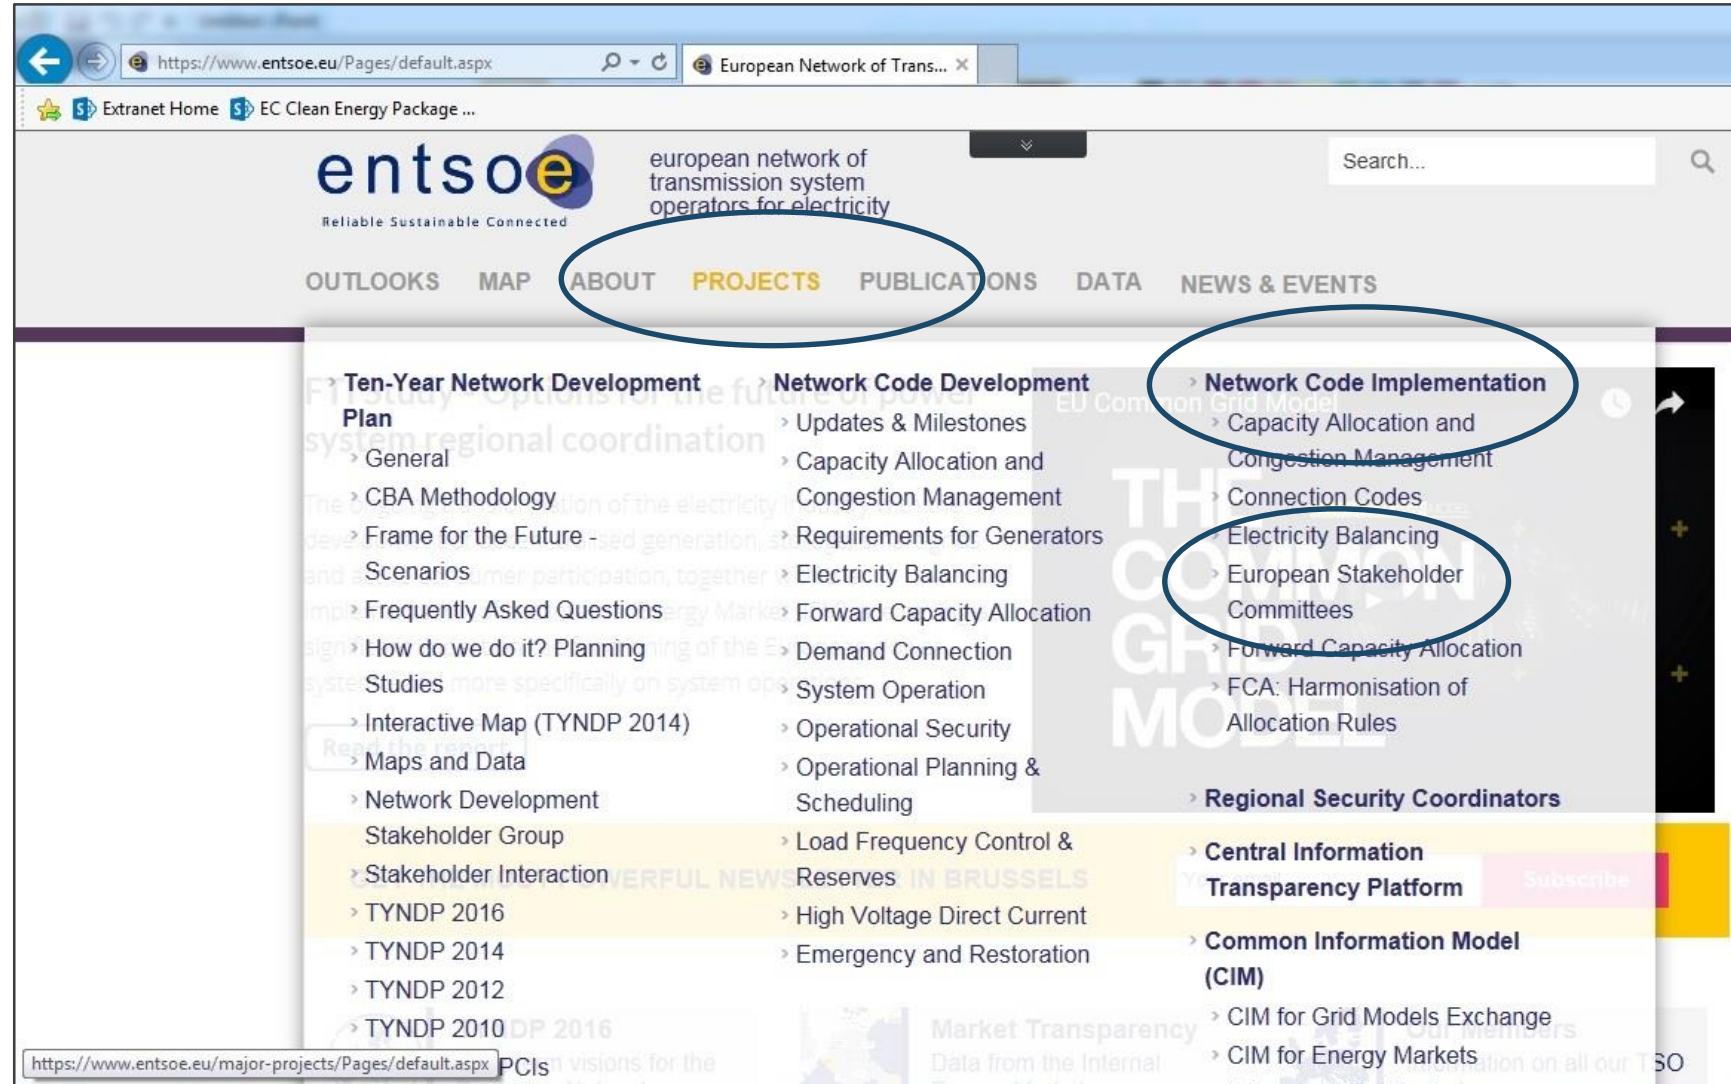

# How to find the IT platform

Step 1:  
[ENTSO-E website](https://www.entsoe.eu/Pages/default.aspx)

Step 2: Projects

Step 3: [Network Code Implementation](#)

Step 4: [European Stakeholder Committees](#)

# How to find the IT platform (2)

**Step 4:**

**European  
Stakeholder  
Committees platform**

**Step 5:**

**System Operation  
dedicated page**

**Direct access:**

**<https://www.entsoe.eu/major-projects/network-code-implementation/stakeholder-committees/Pages/default.aspx#ops>**

The screenshot shows the ENTSO-E website header with the logo and tagline "Reliable Sustainable Connected". The navigation bar includes links for OUTLOOKS, MAP, ABOUT, PROJECTS, PUBLICATIONS, DATA, and NEWS & EVENTS. A search bar is located in the top right corner. The main content area displays the breadcrumb trail: ENT SO-E WEBSITE > PROJECTS > NETWORK CODE IMPLEMENTATION > EUROPEAN STAKEHOLDER COMMITTEES. The title "European Stakeholder Committees" is prominently displayed. Below the title, there is a navigation bar with three tabs: "Market", "Grid Connection", and "System Operation". The "System Operation" tab is circled in blue. To the right of the main content, there is a sidebar with three event announcements for March 14th and June 8th, all taking place at ENTSO-E, BRUSSELS.
